Hi Dave,

It looks like Darryl's revised schedule is better, although I still find it ambitious to think both Sand Island and Honouliuli will be issued by 9/30/12. I don't think the drafts will take that long, but dealing with the comments will. This schedule (issuing 10 Majors, 1 Major MS4, 3 minors, and 14 GPs) would get DOH to 83% current on Majors. Let's discuss tomorrow or Friday when I'm in the office.
